1:32 Scale Racing System

<http://www.SLOT32.de>

Over the last two years,
at TECNITOYS we have revolutionised
the world of SCX.

Sets ⁵⁻¹⁰

Cars ¹¹⁻¹⁸

Accessories ¹⁹⁻²⁶

SCX Pro ²⁷⁻²⁹

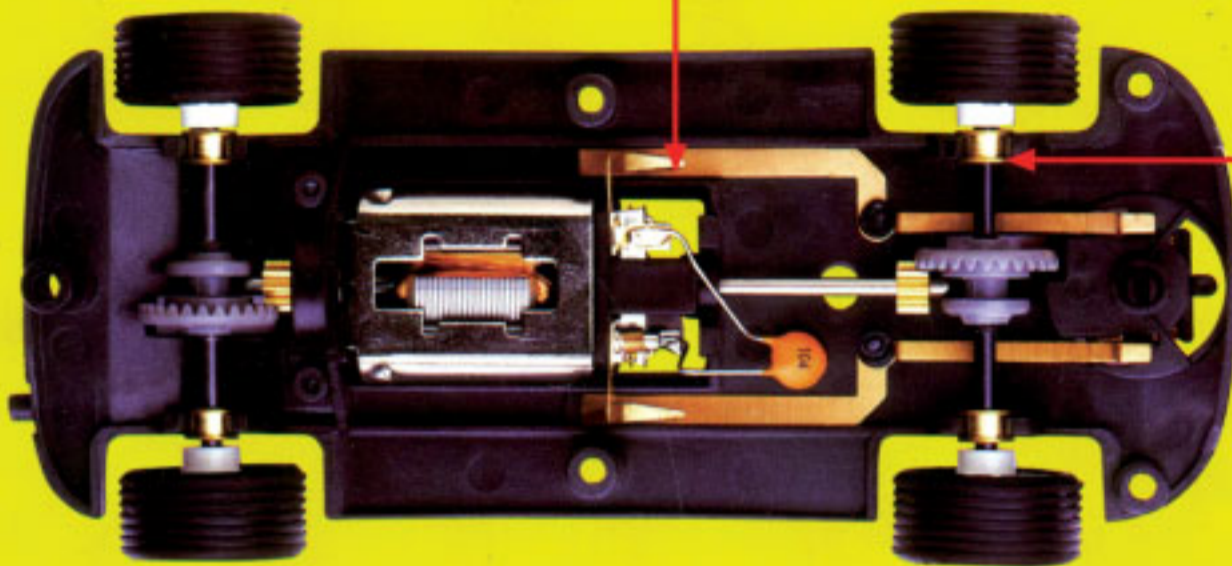

SCX Technology

Painted and lacquered cars, with care being taken down to the smallest detail.

Electrical cordless circuit.

4-wheel drive.

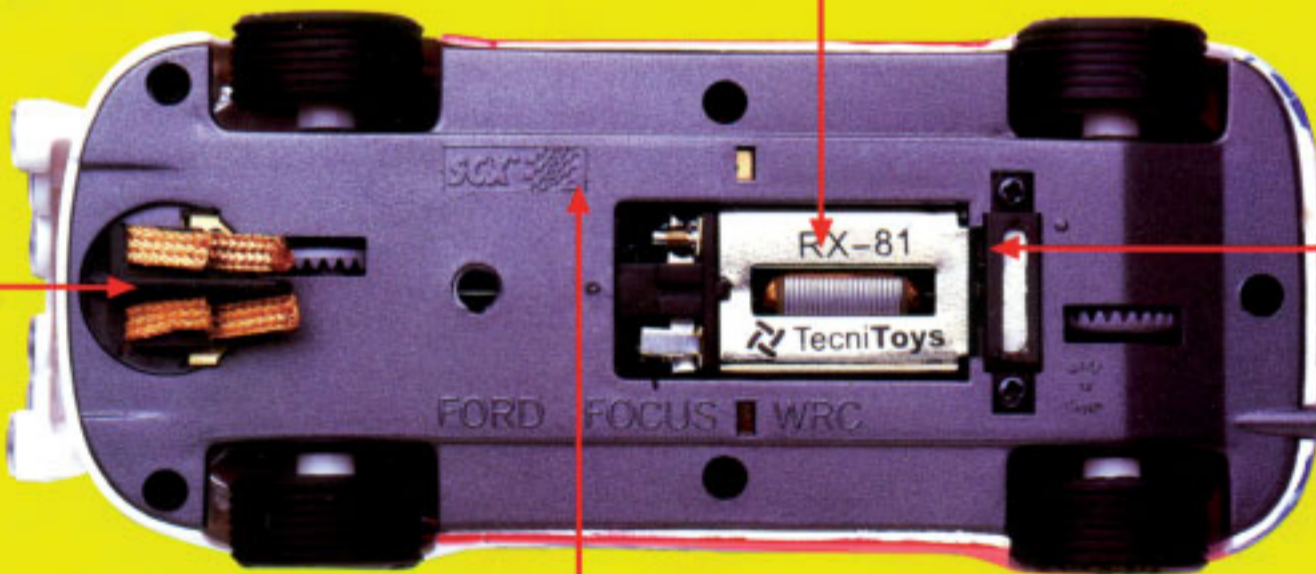

Metallic bearings.
Better track stability.

More powerful motors.

Guides with suspension.

Adjustable and removable magnet.
It adjusts the car grip.

Racing lights.

SCX logo.

You will only find this technology on the cars that have the chassis showing the SCX logo.
